Performing in many application areas 在众多领域表现出色

Planet SD/EC is a solution for application areas in various industries like electronics, life science and other places where static control is required. 新北极星防静电系列为众多领域（电子工业，生命科学等）提供静电防护的解决方案。

Forbo is well known for high quality products; Planet SD/EC will perform in any environment and is not affected by indoor temperature relative humidity levels. 福尔波以高品质产品称著全球。新北极星防静电系列在任何环境下表现出众，并不受室内温度和相对湿度影响。

The smooth and dense surface is hygienic, chemical resistant and easy to clean. 致密平滑的表面卫生，抗化学品并易于清洁。
